165 Broadway  
New York, NY 10006

## Background

Casey Li is a consultant in intellectual property litigation at Aon.

Casey graduated with a B.S.E. in computer science from Princeton University, concentrating on computer security and technology policy and law. Her research at Princeton included topics such as web tracking, Internet of Things security, and network analysis. She is also experienced with web development, video game development, and audio programming. While at Princeton, she mentored young women in computer science through her involvement with Princeton Women in Computer Science and Society of Women Engineers.
