

## Daniel J. Dwoskin

Manager

(212) 903-2875  
daniel.dwoskin@aon.com  
165 Broadway  
New York, NY 10006

## Background

Daniel Dwoskin is a manager specializing in intellectual property litigation at Elysium Digital. Daniel has consulted as a technical expert on over 25 unique matters, during which he has developed skills analyzing source code; processing, overseeing, and performing analyses of large datasets; developing extensive custom toolsets; drafting expert reports and other court documents; and helping prepare for depositions.

Daniel graduated from the University of Illinois Urbana Champaign with a B.S. in computer science and mathematics and previously interned at ITN Networks where he worked on web development and database management. Daniel has experience developing in Java, C, C++, Python, SQL, PHP, Haskell, x86, MIPS, and Verilog and has worked on projects related to database management, content similarity detection, source code quality analysis, web scraping, multithreaded programming, digital forensics, designing algorithms, computer architecture, and security.
