## Jake P. Cohen

Director

(617) 860-9380
jake.cohen@levelblue.com
53 State Street, Suite 2201
Boston, MA 02109

## Background

Jake Cohen is a director specializing in intellectual property litigation at Elysium Digital.

Specializing in patent and software analysis, Jake has analyzed multiple products at Elysium Digital, spanning a variety of industries. In addition to analyzing source code, Jake has assisted at depositions by developing strategic follow-up questions in real time.

Jake has a B.S. with high honors in physics and a B.A. in mathematics from Brandeis University. Jake also holds certifications in Digital Forensics and Incident Response from GIAC (Global Information Assurance Certification).

Prior to joining Elysium Digital, Jake worked in a research lab at Brandeis and briefly at the Raman Research Institute in Bangalore analyzing and processing data associated with radio galaxies.
