Background

Noelle Tuchscherer is a litigation analyst at Aon Intellectual Property Solutions.

Noelle received her B.S. in computer science from the University of San Diego. As a student, Noelle used her technical knowledge and passion of the entertainment industry to lead a team in designing and building an original video game. She later worked as a research assistant on a project to improve the Lean proof assistant library. Noelle also has experience with embedded software programs, hardware circuitry, computer networking, and computer graphics.
